G

[Verse 1]

I found a love for me
 Darling, just dive right in, and follow my lead
 Well, I found a girl beautiful and sweet
 I never knew you were the someone waiting for me

[Pre-Chorus]

Cause we were just kids when we fell in love
 Not knowing what it was, I will not give you up this ti-me
 Darling just kiss me slow, your heart is all I own
 And in your eyes you're holding mine

[Chorus]

Baby, I'm dancing in the dark, with you between my arms
 Barefoot on the grass, listening to our favourite song
 When you said you looked a mess, I whispered underneath my breath
 But you heard it, darling you look perfect tonight

 She shares my dreams, I hope that someday I'll share her home

We are still kids, but we're so in love, fighting against all odds
 I know we'll be alright this ti-me

 I see my future in your eyes
